Chief Executive Officer
City of Holdfast Bay Council
PO Box 19
BRIGHTON SA 5048

To the Chief Executive Officer

Re: TRANSFORMING JETTY ROAD – PETITION TO RETAIN ALL PARKING AND KEEP COLLEY TERRACE & DURHAM STREET OPEN. DURHAM STREET TO REMAIN AN ONE-WAY

Upon request from the Mayor, Amanda Wilson, on 11 April 2025, we engaged with the landlords, traders and residents to sign the amended voting form to support the recommendations set out in this petition. Although time was limited to draft, distribute and collate the voting forms for this petition, we secured 547 signatures of support within the last 72 hours. We do believe we can increase this number given more time.

The petitioners are in support of upgrading the precinct as set out in option A, but believe that the following amendments should be made:

- The retention of all car parking spaces
- Colley Terrace must remain open for all traffic
- Durham Street must remain open for all traffic as a one-way street

Each petitioner listed below signed a voting form, hard copies are attached to this petition and will be delivered to your offices. As per our meeting dated 11 April 2024, we agreed that the submission in this format will be accepted where substance will supersede form.

I am willing to make myself available for any further discussions to achieve a positive outcome to the transformation project.

Kind Regards

Andrew Taplin
79 Jetty Road, Glenelg SA 5045
