The draft Policy proposes assessing future lease and licence arrangements based on:

- Community Benefit - Demonstrated benefit to residents and the community
- Strategic Alignment - Alignment with Council's strategic objectives
- Proposed Use - Suitability of the proposed use
- Governance and Capability - Organisational capability and governance arrangements
- Financial Sustainability - Long-term financial viability
- Participation Outcomes - Membership and participation levels
- Community Access - Shared use and public access
- Capital Investment - Proposed investment in facilities
- Asset Management - Sustainable management of the asset

How important do you think each of these assessment criteria are when reviewing lease and licence applications and arrangements?

Rank in order from most important to least important by numbering the m 1-9 (1 being most important, 9 being least important)
